¹ From U.S. Department of Education Revised FY2008 Cohort Default Rates list, posted April 21, 2011.

- 1. Schools must keep their federal student loan Cohort Default Rate (CDR) below 15.5%.
- 2. Schools must keep their graduation rate above 30%.

These CDR and graduation rate thresholds do not apply to qualifying institutions with 40 percent or less of their undergraduate students borrowing federal student loans.

A limited exception in law also allows institutions who do not meet the graduation threshold to continue to be eligible if their CDR is below 10% and the graduation rate is above 20%.

For more information on the CDR and graduation rate requirements, visit 2012 Budget Act Changes.
